

## Troop 87 Klondike Kalamity II

Feb. 17-19, 2012

Troop 87 is thrilled to be hosting the Klondike Kalamity II for the Northwest District. We will be concentrating on having all attending Scouts successfully earn the Emergency Preparedness Merit Badge. Webelos will be able to earn the Readyman Belt Loop.

Scouts are expected to complete the First Aid Merit Badge **prior to** coming to the weekend. We will try to have resources on Friday night to finish any remaining First Aid Merit Badge requirements but please don't bank on this.

### **Friday**

Check in is 630-8pm at Memorial Cabin.

There will be an SPL meeting on Friday night to review the schedule for Saturday. A full schedule will be provided upon check-in.

You will need a sled for some of the stations on Saturday so come prepared.

You are responsible for your own dinner.

T87 will be hosting a movie in the Council Lodge starting at 9pm.

Lights out for the weekend is 11pm sharp, no exceptions.

### **Saturday**

Flag raising will be on the parade ground at 8:30am.

Stations begin at 9:00am.

Each station and the medical/emergency professionals assisting T87 will be focused on having you prepared for an emergency.

Lunch will be provided by T87 at the Fort per your schedule.

Dinner is your troop's responsibility.

**Sled Race-** rules etc. will be forthcoming. This year we will have a simplified format. If you'd like to race a sled, it will be head-to-head competition on a course around the parade ground. Please sign up at check in or on Saturday up until race

time. Start time is approximately 5pm on Saturday once all Emergency Preparedness activities are concluded. Please be prepared for potentially racing after dark.

**Sunday**

Breakfast is up to each troop.

Be sure to leave your cabin clean and spotless upon check out.
