

# The Scout Shop

The Erie Shores Council, BSA, has a full service Scout Shop with a wide variety of Scouting items.

The store is located on the 2nd floor of the United Way Building (Community Services Building) at One Stranahan Square (Jackson & Superior Streets), Toledo, OH 43604. (See map to Service Center in Contact Info section.) Free parking in the building's lot or we can validate for the Vistula Garage.

- Uniforms—shirts, pants, shorts, socks, neckerchiefs, hats, neckerchief slides.
- Books—handbooks, songbooks, skits, ceremonies, crafts, how to books.
- Derby Cars – Regatta Kits – Space Derby Kits – Complete with decals, paints, and special options to dress up your vehicle.
- Camping equipment, knives, axes, mess kits, utensil kits, backpacks, sleeping bags and more.
- Advancement badges of rank and achievement, awards, patches, pins and insignia.

And we can order anything else you might need from the Scout catalog...tents, dining flies, flags, even a canoe!

You can pay by check, cash, VISA, or Master Card. Your unit can deposit money "On Account" with the Shop so it's ready for your Advancement Chair to use when they pick up awards and/or supplies. You can personalize and limit the use of your account and file for tax-exempt status.

All rank advancements and badges of achievement must be accompanied by an Advancement Form for recording the boys' achievements at the time of purchase. Forms are available at the Scout Shop and online.
