New: Units who meet their Fair Share Goal will be recognized on our Wall of Honor.

*Goals will be established for each unit by the Unit FOS Chairman, District Family FOS Chairman and District Executive. A unit with 15 boys may have a goal of \$25 per boy or a \$375 goal. A unit with 75 boys may have a goal of \$25 per boy, or a \$1,875 goal. Please don't debate the number of boys, work with the unit leaders to get a real number and establish the goal prior to the presentation.

Intentions of the recognition items are:

- ✦ To Promote the Fair Share concept, and involve more families in contributing to the FOS campaign
- ✦ To create a more equal incentive for units with varying size
- ✦ To create a plan to reach over 100%+ of the District Family FOS goal
